

Goals

- Provide an activity for mentors and mentees
- Introduce mentees to even more women in technical careers
- Introduce mentors to AAUW and HAHT
- Involve branch members in a community service project
- Fun!

Lessons learned

- The demand is great
 - 60 girls requested space in the workshops
- Scheduling can be challenging
 - We served about 25 girls in 6 sessions
 - We'll probably "overbook" in the future
- Mentors need more info/support
- In just two hours, girls produce amazing sites
 - Tech-Savvy: girls need a "why" to use technology
 - Sister-to-Sister: girls have a need to be heard
