Tech-Savvy in the Branches  
Sunday, June 24, 2001  
12:00 – 1:30

Lavaca (6B), Austin Convention Center, Level 3

Wendy Armour Dickinson AAUW-PA Immediate Past President warmourdickinson@hotmail.com	Nancy Shoemaker AAUW-NC Technology Coordinator shoemaker@acm.org
--	--

### Sample Issues

#### Mailing lists

- How are they administered?
- How are the policies set?

#### Web sites

- How are they set up?
- What kinds of information can be stored there?

#### Membership lists

- What software is used to maintain them?
- How is the data reused (mailing labels, yearbook lists, etc.)

#### Budgets/Finance reports

- What software is used to maintain them?

#### Publications (newsletters, yearbooks, fundraiser programs)

- What software is used to produce them?
- Are they distributed electronically?

#### Documents (By-Laws, Policies)

- Is software used to facilitate discussion of changes?
- Are they distributed electronically?

---

### Agenda

- 12:00-12:10 Introduction
- 12:10-1:00 List the problems where technology can help  
List examples of technology improving efficiency and effectiveness  
List related issues that affect the AAUW mission
- 1:00 – 1:25 How can we work together to document the solutions and train each other?
- 1:25-1:30 Wrap up – next steps.
