Thanks to **Jeff Pittson** for the beautiful lyrics, for your incredible talent and artistry, and for suggesting this project in the first place; **Evan Pittson**, you're the light of my life; **Karen Connor, Buster Williams, Marge Thomas, Gordon Smith, James Viers, Wayne Saroyan, Susan Rabin, Patricia Finnegan, Teri Keyser, Jazz in Flight, Yoshi's, KCSM**, and to everyone at **Fantasy Studios: Nina, Coleen, Frank, Steve and George** for making this a wonderful recording experience.

Special thanks to the fabulous musicians: **Jeff, Wally, Alex and Glenn** for contributing their ideas and exceptional talent to this recording.

Extra special thanks to **Alice Coltrane** and **Michael Brecker** for allowing me to record the music with original lyrics.

Wally Schnalle appears courtesy of Retlaw Records, and plays Zildjian cymbals and D'Amico drums.

To the memory of my dad, **Ron Haight**, who taught me among other things to be a perfectionist!
